11th Sunday in Ordinary Time 17th June 2018

Our everyday awareness is filled with the material and social realm, but it is not very familiar with the spiritual realm. Thus it is very helpful to use the familiar to point to the unfamiliar. If we could really believe in the immensity of God's unconditional love for us then we would realize that all we need to do is enter into that divine flow and let it carry us along. Even our mistakes can be used in our favour, if we allow them to do so. That's how amazing divine love is
