13<sup>th</sup> Sunday in Ordinary Time 26<sup>th</sup> June 2022

The full feast of the Epiphany celebrates three moments of divine revelation. The first was to the Magi at Bethlehem. The second was the voice of the Father testifying to Jesus at his baptism in the Jordan in Judea. The third story is the miracle at the wedding in Cana in Galilee. *He let his glory be seen, and his disciple believed in him.* The miracles of Jesus were the manifestations of his divine power. Connecting with the second reading today...the presence and power of God in the church are manifested in the gifts of the Spirit, as described by Paul
