14th Sunday in Ordinary Time 4th July 2021

Returning home to Nazareth, Jesus teaches in the synagogue but his former neighbours turn on him. Who does he think he is, this carpenter, the son of Mary? This could have been a moment of grace, if they were open to hearing what he had to say. Perhaps the Implications of the Good News were just too challenging coming from one of their own. Sometimes God's Word comes in an unexpected package. As individuals and communities, we can be guilty of silencing certain voices. Do we listen to young people with their energy and idealism, or the elderly with their experience and wisdom? Are we biased against certain groups in society, do we shoot them down before they speak? When our hearts are open, we come to recognize the prophets who are bringing the dream of God to fruition among us
