Today's Gospel: Unless you are faithful in small things, you will not be faithful in large things'. The Kingdom of God is built by tiny acts of kindness, most of which are hidden. It is through the ordinary and everyday events of life that holiness happens. Holiness is something that happens to us; it is not anything we do. Just as the newly born baby will get hair and teeth, and this process cannot be controlled or rushed in any way, so it is with the work of God's Spirit within us. We are told that we cannot serve two masters. We need to look at our lives for our priorities. What is it that takes up most of my time and my money? I always seem to find time and money for the things I really want to do, or I have. I could spend hours playing a sport or at my hobby, and I could begrudge the Lord ten minutes of quiet time. This is something I should look at very seriously, and if needed, make some serious decisions about it.

Season of Creation Prayer "God our Father, Awaken within us a renewed appreciation for the wonder of creation. Help us, in these times to care for our world, so beautiful, so immense & yet so fragile. Allow us some quiet moment to surrender to the whisper of your love in the gentle breeze and in the warmth of the sun, may the essence of your presence, shimmering through creation fill our entire being, spirit, soul & body, through Christ Amen

Prayer for Peace in Ukraine: Almighty and Great God, accept our gratitude for your boundless mercy towards us. Hear the supplication of our afflicted hearts for the land and people of Ukraine, as they confront foreign aggression and invasion. Open the eyes of those who have been overtaken by a spirit of deception and violence, that they be horrified by their works.

Grant victory over the powers of evil that have arisen and bless Ukraine with your gifts of liberty, peace, tranquillity, and good fortune. We implore you, O Merciful God, look with grace upon those who courageously defend their land. Remember the mothers and fathers, the innocent children, widows and orphans, the disabled and helpless, those seeking shelter and refuge, who reach out to you and to their fellow human beings looking for mercy and compassion. Bless the hearts of those who have already shown great generosity and solidarity, and those who prepare to receive their Ukrainian brothers and sisters in Ukraine's greatest time of need. Bring us together as your children, your creation, and instil in us your strength, wisdom and understanding. May you be praised and glorified, now and forever, and to the ages of ages.
