26th Sunday in Ordinary Time (World Day of Migrants & Refugees) 26th September 2021

John objected when a person, who was not in their group, cast out demons in Jesus' name. Jesus himself had no problems with this. Jealousy can poison our outlook even when what is done by another is good. 'S/he is invading my patch.' Perhaps you have seen, in yourself or in others, the negative effect of jealousy and the contrasting positive effect of being able to rejoice that good is being done, irrespective of the person doing it
