Today's Gospel: Persevering In Catholic Practice: More than most other societies, our Catholic Church has urged, and continues to urge, the value of remaining faithful to Certain practices: in our case, personal prayer and the community sacrifice of Sunday Mass. Styles of prayer may change, and there may be improvements in the form of our liturgy; but the basic call of the Church remains the same: to keep up the practice of prayer, both public and private; not to let laziness hold us back, or discouragement cause us to lose confidence in the value of speaking with God. Then with persevering prayer as a fountainhead will flow the strength of faith, and continual renewal of charity that we need for conducting daily life in the proper spirit. So, over a long period, and after many failures followed by sincere renewals, we will make a success of the one great project God has set for our lives Into his presence we will come, a people who have kept faith with Him over the years in the wilderness, and who finally come to rest in the Kingdom which Christ has promised

Harvest Thanksgiving: At all Masses this weekend we will be giving thanks for the Gift of Harvest - The Fruits of the Earth. **Salt** will also be blessed for those who wish to bless their lands and gardens with it.

Prayer: All powerful God, we appeal to your tender care, that even as you temper the winds and rains, to nurture the fruits of the earth, you will also send upon them the gentle shower of your blessings. Fill the hearts of your people with gratitude, that from the earth's fertility, the hungry may be filled with good things, and the poor and needy proclaim the glory of your name.

Next Sunday October 23rd October we celebrate Mission Sunday.
