6th Sunday in Ordinary Time 16th February 2020

There are times when we try to get by with the bare minimum. Maybe we have scraped through an exam with the minimum of effort, or done a last-minute rush job to complete a work project. Plenty of us know what it's like to do just enough around the house to keep it from descending into total chaos! Perhaps unconsciously, we sometimes take the same approach to our relationships – only phoning a parent once in a blue moon to 'check in,' or visiting a friend only when we are reminded. It can be easy to slip into a pattern of acting out of a sense of duty rather than love
