Feast of Christ the King 25th November 2018

Today is the Feast of Christ the King and this Gospel certainly gives us an opportunity to lay aside a lot of cultural baggage we may have about kings, leaders and kingdoms. The Jewish leaders want Jesus executed and so they bring him to Pilate who engages in a debate with Jesus on 'kingship'. Jesus is accused of claiming to be a 'king' and this passage plays on both the political and religious meaning of that word

Safeguarding Children in the Diocese of Meath: The Diocese of Meath values and encourages the participation of children and young people in parish liturgies and diocesan activities. Safeguarding is about creating an environment that facilitates such involvement so that children can grow in their faith as they experience the love of Jesus in his Church. Everyone who ministers in the parish is a representative of the Church and must observe safeguarding practices and guidelines. Good safeguarding practice is integral to ministry – it is not an optional extra. Parish safeguarding representatives are women and men who work with our local priests to ensure that diocesan safeguarding policies and practices are followed. We are trained for this role and access advice and support from the Diocesan Child Safeguarding Committee. For more information please see the Diocese of Meath Safeguarding

Kindly Note: The Parish Office will re-open again on Thursday 29th November
