Feast of the Most Holy Body & Blood of Christ (Corpus Christi) 6th June 2021

'Take it,' he said, 'this is my body.' My body means my real self present to you. We speak of anybody or somebody, meaning any person or some person. We do not need complicated systems, big words, faraway shrines, psychological programmes or anything else if we have a simple, strong belief in the Eucharist. The Eucharist is Jesus: the Eucharist is everything. *This is my blood, the blood of the covenant.* The sacred pact offered by God to people is a covenant sealed in the blood of Jesus. Baptismal union with God is signed, sealed and guaranteed in his blood. Celebration of Mass renews the covenant. 'In the Eucharist Christ gives us the very body which he gave up for us on the cross, the very blood which he poured out for many for the forgiveness of sins.'
