Feast of the Most Holy Trinity 11th June 2017

God in today's Gospel is described to us as one that is very close, as one that loves the world so deeply that he was willing to give everything to it. It is hard to comprehend these statements. Why would some love in such a way? Why would someone sacrifice in such a way? Trinity Sunday invites us to reflect on the impossible; on the utterly mysterious. Yet we can know something of what it means to experience God's love in our lives; to have deep relationship with Jesus Christ and to feel God's Spirit dwelling within ourselves. We can experience that same Spirit in each person that we meet, that Spirit of God indwelling in all of creation. The Trinity speaks to us of relationship, community, of fully giving and receiving
