The Daily Prayer of Saint Mother Teresa: Dear Jesus, help me to spread Thy fragrance everywhere I go. Flood my soul with Thy spirit and love. Penetrate and possess my whole being so utterly that all my life may only be a radiance of Thine. Shine through me and be so in me that every soul I come in contact with may feel thy presence in my soul. Let them look up and see no longer me but only Jesus. Stay with me and then I shall begin to shine as you shine, so to shine as to be a light to others. Amen

Today's Gospel: Created Good Giving up possessions is a huge demand of Jesus, It can be misunderstood and cause grief. What Jesus means is that we identify what it is in us that may block us being his true disciples. We are all created in the likeness of God we are created good. In each of us is the desire to nourish what is good and best in us. We wish to do the same for our children our pupils or anyone in our care. We nourish the good in ourselves by prayer, community by good deeds and an honourable way of life, We watch the example of Jesus and listen to how he teaches us in his stories. Today he asks us to know ourselves, just like the man building a tower plans what he has and what he can do. Our goodness in life is a gift from God. We find goodness also in each other. Good people make good people better! Saints we like show us a way to God and inspire us, and even help us. The gospel is full of people trying to do their best and learning with fresh starts and after their mistakes how to follow Jesus. Goodness is vulnerable. We can try our best and fail. We make promises that don't last despite our best efforts. In the eyes of God goodness is in what we do and in what we try to do. God sees the goodness of the heart. Lord give us a desire for the good in our lives and help us live by your gospel
